*Fresh from the
Market daily!*

We source our produce daily from the markets, so its fresh every day. Organic and pesticide free produce is becoming more important every day so we have a dedicated range of organic produce to select from.

We also know how important it is for our children to eat healthy so we have a dedicated range of lunch box size fruit. To reinforce our children eating healthy we have our free fruit for kids station. Our produce is also backed by our 200% fresh Food Guarantee.

DRAKES BRAND

Unlike some of our competitors we remain fully committed to keeping the brands we all know and trust on our shelves however the commercial reality is that we must have a house brand to match these very same competitors.

We do have a range of Drakes branded products across the store, for example milk, bread, juice, eggs, nuts etc that are all Australian. Rest assured to get the Drakes name, it must be an Australian product made in Australia, no exceptions.

*Customer Service
Counts!*

Brand new store, Great fresh food, Great specials - means nothing if we don't have Great Customer Service. Customer service is more than please and thank you.

If you need help to the car, we're there, if you cant find an item in the store we'll take you there, if we dont have what you want on shelf, we'll do our utmost to get it.

Great customer service is a cornerstone of our business as we try to exceed your expectations.
